MANUAL DO USUÁRIO

Suporte móvel para TV LCD

Instruções de instalação

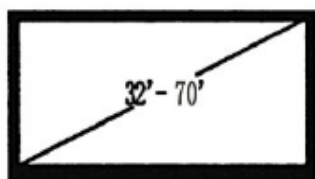

Instruções de uso

Instruções de uso

Possibilidade
de levantar e
abaixar a tela

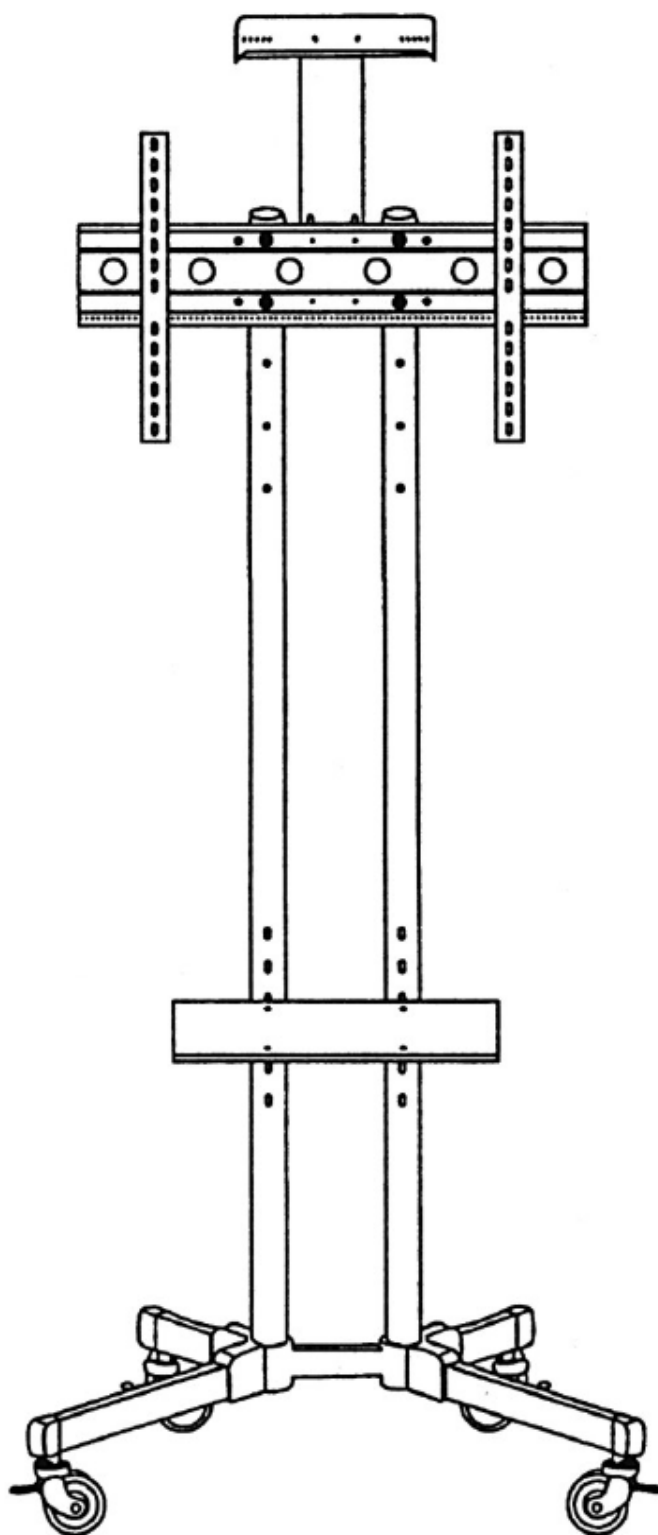

Permite a instalação
de 32" a 70".

Carga máxima:
50Kg

Ângulo de
ajuste +/- 15°.

Atenção!

Os produtos resultantes devem ser instalados por instaladores profissionais e, antes da instalação, os funcionários devem ler atentamente o manual de instalação para entender o processo de instalação do stent.

Não instale mais do que a capacidade de carga máxima dos carrinhos; não exceda a instalação recomendada em pés-polegadas de tela.

Não coloque a TV nas posições mais altas; não empurre a tela para mover o carrinho; os carrinhos ficam parados quando você trava as rodas.

Os produtos estão sujeitos a alterações que serão feitas na declaração, sem aviso prévio.

Especificações

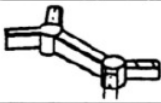

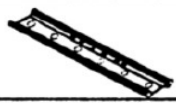

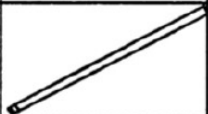

Área de visualização recomendada: TV LCD de 32" a 70".

Escopo de aplicação à distância: máx. 600x400 mm

Carga máxima: 50 kg

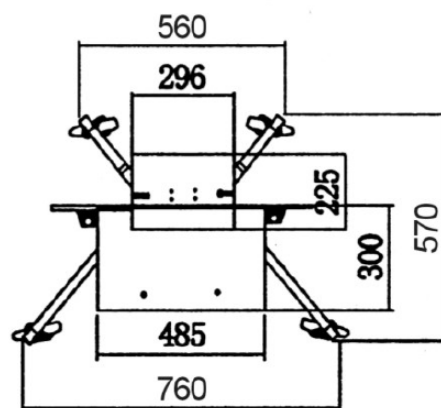

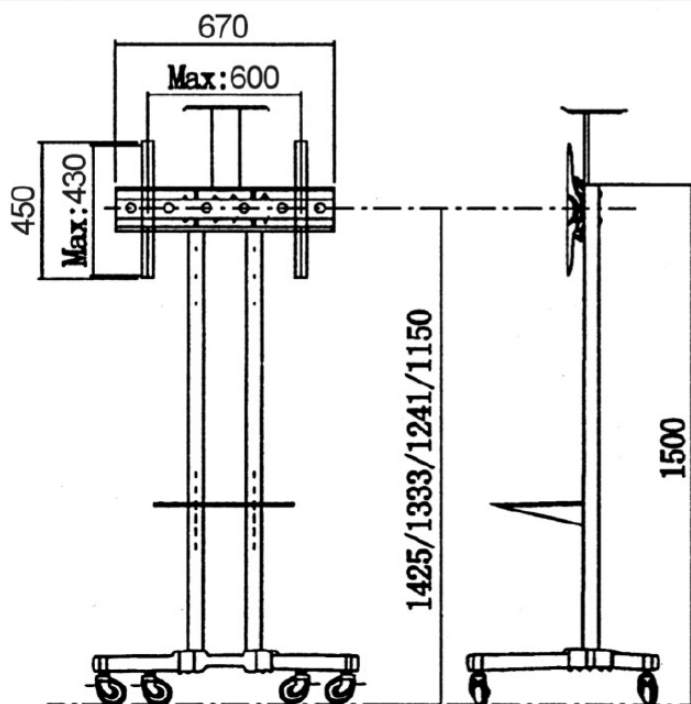

Ponto de visualização (ângulo): Ângulo de visualização: $\pm 15^\circ$

Lista de peças:
