Nota: Si la pantalla no se detiene en la posición deseada, ajuste los dos tornillos laterales alternativamente usando las herramientas como se muestra.

IMPORTANTE:

No leer, comprender completamente ni seguir todas las instrucciones puede provocar lesiones personales graves, daños al equipo o la anulación de la garantía de fábrica.

INSTRUCCIONES DE SEGURIDAD Y ADVERTENCIAS:

- Asegúrese de que la superficie de montaje sea lo suficientemente resistente como para soportar un producto y equipo montados.
- **NO EXCEDA LA CAPACIDAD MÁXIMA DE PESO INDICADA.**
- Asegúrese siempre de que alguien le ayude o de que utilice un dispositivo mecánico para levantar y colocar productos pesados de forma segura.
- Apriete los tornillos firmemente, pero no los apriete demasiado. Apretar demasiado puede causar daños al producto que reducen considerablemente la capacidad de sujeción.
- Mantenga un área despejada y alejada de las piezas móviles cuando utilice el producto.
- Úselo solo como está previsto. Nunca se pare, se cuelgue ni se suba al producto.
- Este producto está diseñado para uso en interiores únicamente.
- No se permite ningún intento de reconstruir la construcción.
- Este producto puede contener artículos pequeños que podrían representar un peligro de asfixia si se ingieren. Mantenga a los niños alejados a menos que el producto esté diseñado para su uso y que hayan revisado y comprendido completamente todas las instrucciones y manuales
- Compruebe que el producto sea seguro y pueda usarse sin peligro a intervalos regulares (al menos cada tres meses).

Observação: se o display não parar na posição desejada, ajuste os dois parafusos laterais alternadamente usando as ferramentas, conforme mostrado.

IMPORTANTE:

O fato de não ler, entender completamente e seguir todas as instruções pode resultar em lesões pessoais graves, danos ao equipamento ou anular a garantia de fábrica.

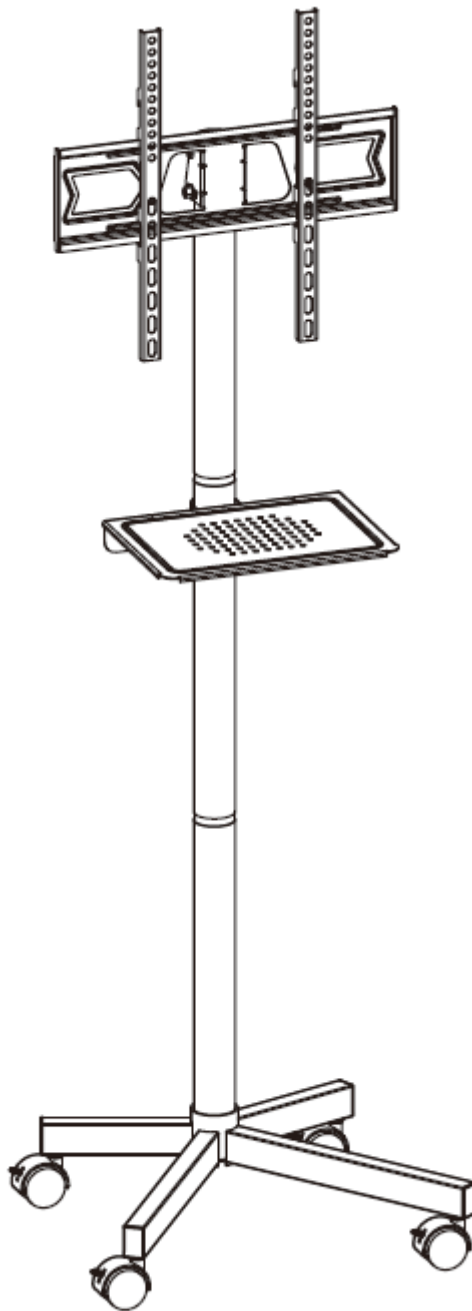

INSTRUÇÕES E AVISOS DE SEGURANÇA:

- Certifique-se de que a superfície de montagem seja forte o suficiente para suportar o produto e o equipamento montados.
- **NÃO EXCEDA A CAPACIDADE MÁXIMA DE PESO INDICADA.**
- Certifique-se sempre de ter a ajuda de alguém ou de usar um dispositivo mecânico para levantar e colocar mercadorias pesadas com segurança.
- Aperte os parafusos com firmeza, mas não aperte demais. O aperto excessivo pode causar danos ao produto, o que reduz consideravelmente a capacidade de retenção.
- Mantenha uma área livre longe de peças móveis ao usar o produto.
- Use somente como pretendido. Nunca fique em pé, pendure ou suba no produto.
- Este produto foi projetado apenas para uso interno.
- Não é permitida nenhuma tentativa de reconstrução da construção.
- Este produto pode conter itens pequenos que podem representar um risco de asfixia se ingeridos. Mantenha as crianças afastadas, a menos que o produto tenha sido projetado para seu uso e que elas tenham revisado e compreendido totalmente todas as instruções e manuais.
- Verifique se o produto é seguro e se pode ser usado com segurança em intervalos regulares (pelo menos a cada três meses).

Note: If the display does not stop in the desired position, adjust the two side screws alternately using the tools as shown.

IMPORTANT:

Failure to read, fully understand and follow all instructions may result in serious personal injury, damage to the equipment or void the factory warranty.

SAFETY INSTRUCTIONS AND WARNINGS:

- Ensure that the mounting surface is strong enough to support a mounted product and equipment.
- **DO NOT EXCEED THE MAXIMUM WEIGHT CAPACITY INDICATED.**
- Always ensure that you have someone to help you or use a mechanical device to lift and place heavy goods safely.
- Tighten the screws firmly, but do not over-tighten. Over-tightening can cause damage to the product which considerably reduces the holding capacity.
- Keep a clear area away from moving parts when using the product.
- Use only as intended. Never stand, hang or climb on the product.
- This product is designed for indoor use only.
- No attempt to reconstruct the construction is permitted.
- This product may contain small items that could pose a choking hazard if swallowed. Keep children away unless the product is designed for their use and they have reviewed and fully understood all instructions and manuals.
- Check that the product is safe and can be used safely at regular intervals (at least every three months).
